

Proclaiming Good News Along the Real Life Continuum

Dr. Bill Morehouse* – CCHF Conference, Breakout 5, 2:30 pm, March 29, 2019

A VERY BIG STORY – Object of Workshop: Helping you share the core message of the Christian faith and growth while you're living out the Gospel through healthcare among the poor

A Prophetic Calling

- "The one who prophesies speaks to people for their upbuilding and encouragement and consolation" 1 Corinthians 14:3
- "I am the Vine; you are the branches" John 15:5 – We've been grafted into the Tree of Life to bear fruit. Our leaves are for the healing of the nations.
- You are a seer, a sign, and a standard imparting a vision of hope, healing and restoration to all whom you see, combined with guidance for the future.

Sharing Good News Review

- A Lifestyle – Sharing becomes part of a provider's lifestyle, both inside and outside the office, stemming from their heart.
- Interwoven – Sharing is a seamless part of the clinical and personal encounter with each individual, tailored to their circumstances.
- Natural – Sharing is the fruit of study, meditation, prayer, and gaining understanding of the human condition and God's love for us.
